ROUND FOUR

SONG LYRICS Identify the song titles beginning with the letter 'B'

Got in a little hometown jam, So they put a rifle in my hand, Sent me off to a foreign land, To go and kill the yellow man	
Flew in from Miami Beach BOAC, Didn't get to bed last night, Oh, the way the paper bag was on my knee, Man, I had a dreadful flight	
I hear hurricanes ablowing. I know the end is coming soon, I fear rivers over flowing. I hear the voice of rage and ruin.	
They paved paradise, And put up a parking lot, With a pink hotel, a boutique, And a swinging hot spot	
She was more like a beauty queen from a movie scene, I said don't mind, but what do you mean, I am the one	
When you're weary, feeling small, When tears are in your eyes, I will dry them all	
How many roads must a man walk down, Before you call him a man?
